

Submission of papers

Dear authors,

In the following you will find some information regarding the preparation of the camera-ready version of your submission.

Please follow the advices of the reviewers to improve the final version of your work. **Authors of oral presentations** are allowed to submit up to **6 pages**, authors of **poster presentations up to 2 pages**.

There are no particular style or format guidelines, but please follow good scientific writing conventions and keep in mind that the format of the proceedings, which will be published in the ifgi-print series will be **Din A5**.

To help us to do the final formatting, we would prefer to receive the camera- ready version in **Word DOC-format**. If you are not able to use Word, please upload a PDF-file.

Please note, that for the submission of papers the **conference registration is needed** (at least for one day):

http://www.geoinformatik2009.de/public/index.php?cmd=smarty&id=9_lde

Please submit the file until February 20, 2009 to:

<https://www.softconf.com/s08/geoinformatik2009/>

If you have any questions related to the **proceedings**, please contact Thomas Bartoscheck (bartoschek@uni-muenster.de)

If you encounter technical problems with the **web page**, please contact Sidi Benmoh (benmohs@uni-muenster.de)

If you have any questions related to technical questions in terms to the **poster exhibition** or the **oral presentations**, please contact Kai Behncke (kbehncke@igf.uni-osnabrueck.de)

Best regards,

Your GEOINFORMATIK 2009 team
